Amendment 0010

This Amendment is to:

1. Change Section A, page 6, "4. Evaluation and Award of TOs" to read as follows:

Proposals will be evaluated pursuant to the criteria set forth in the Request for Proposals. The balance of this paragraph is a description of the intent of the Government in the solicitation, evaluation and award of TOs. It is anticipated that all competitively solicited requirements will be awarded as best value type awards. Award will be made to the offeror providing the proposal with the best overall combination of technical skills, management abilities, cost, and past performance record. The Government may pay a premium on task orders for various reasons, including maintaining the benefits of a viable, competitive pool of LOGCAP IV contractors. This decision will be made on an individual task order basis.
